# Company introduction

## TOWATEK KOREA CO., LTD.

It is a 25-year taping therapy manufacturer that manufactures and distributes the best quality with the latest facilities through thorough quality management system certification with KFDA (Korea Food and Drug Administration).

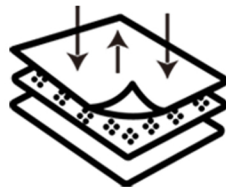

### World export company

Taping therapy, which has a history of more than 40 years, has been developed in Japan and expanded worldwide. Towatek Korea Co., Ltd. was introduced in Japan for the first time in Korea in 1995 and has pioneered a new market. In 1999, domestic taping was developed, manufactured and sold, and now exported to more than 50 countries.
